Amman, March 2015 - **EY Jordan** has granted the prestigious *Family Business Award Of Excellence* for 2014 to Ghassan Nuqul, Vice Chairman of Nuqul Group. The award is an honorary accolade presented by **EY Jordan** to outstanding Jordanian business families who demonstrate the balance between work and family issues, grow their business over generations, and engage in philanthropic or social activities.

Introduced by **EY Jordan** in 2013, the *Family Business Award Of Excellence* is part of the *Jordan Entrepreneur Of The Year Award*, currently in its fifth consecutive year, the *Entrepreneur Of The Year Award* is held annually under the Royal Patronage of His Majesty King Abdullah II ibn Al Hussein.

Nuqul Group was founded in 1952 as a trade and import company for foodstuff. Within only six years, the Group expanded its operations to establish Fine Hygienic Paper Company in 1958. Today Nuqul Group encompasses two holding companies: Fine Hygienic Holding (FHH), the umbrella for the Group's paper business, and Eagle Holding, the Group's investment arm managing diverse industries and investments in different economic sectors.

The Group employs approximately 3,000 individuals in Jordan and over 5,100 throughout the world, and exports products to more than 45 countries worldwide. Led by a business strategy that focuses on integrated industries, expansion, diversification and world class ethical standards, Nuqul Group has emerged as a global corporation with strong international market presence, and has become renowned for its business acumen, clever investments and commitment to enhancing human resources both within the Group and the community at large.
